

BENDHEIM

Glass Marker Boards

Bendheim offers a wide variety of magnetic and non-magnetic glass marker boards, including quick-ship, custom-color, single and double-sided, and projectable options. Our award-winning double-sided Mag+ boards can be used as writable wall cladding or partitions in homes, schools, universities, libraries, offices, and conference rooms. The naturally hygienic, non-porous glass is effortless to maintain; even permanent markers clean up without ghosting.

Order Minimum:

Bendheim has a \$2,500 order minimum.

Approx. Dimensions:

The boards are delivered fully fabricated to the specified size, safety, and aesthetic requirements. Not to exceed 60" x 120". QuickKISS (quick ship) boards are available in 4 standard sizes: 24" x 36" | 36" x 48" | 48" x 72" | 48" x 96".
